

WHITE WINES

LIGHT AND REFRESHING

Sometimes all we need is a light, refreshing and cold glass of white. This selection ticks that box. Great on their own but if you want something special to pair with fish, head to the South of France and go for the Picpoul.

It's no surprise Sauvignon Blanc remains our favourite white wine. Coming in many different styles, there is something for everyone. Pure elegance from the Sancerre to zesty and zingy Marlborough to a more tropical fruit led 'Le Charme' by the award winning wine-maker, Christine Cabri.

CLASSIC 'OLD SCHOOL' WHITES

Our firm favourites here and the Grüner Veltliner is a must try. If you like light wines like Pinot Grigio, give this a go, it won't disappoint. The Rioja is light with citrus tones and the Chablis, elegant with a hint of green apple and a clean finish.
